

★ ★ THE MOST
USEFUL
FEATURES OF
ODOO 17!

WWW.VPERFECTCS.COM

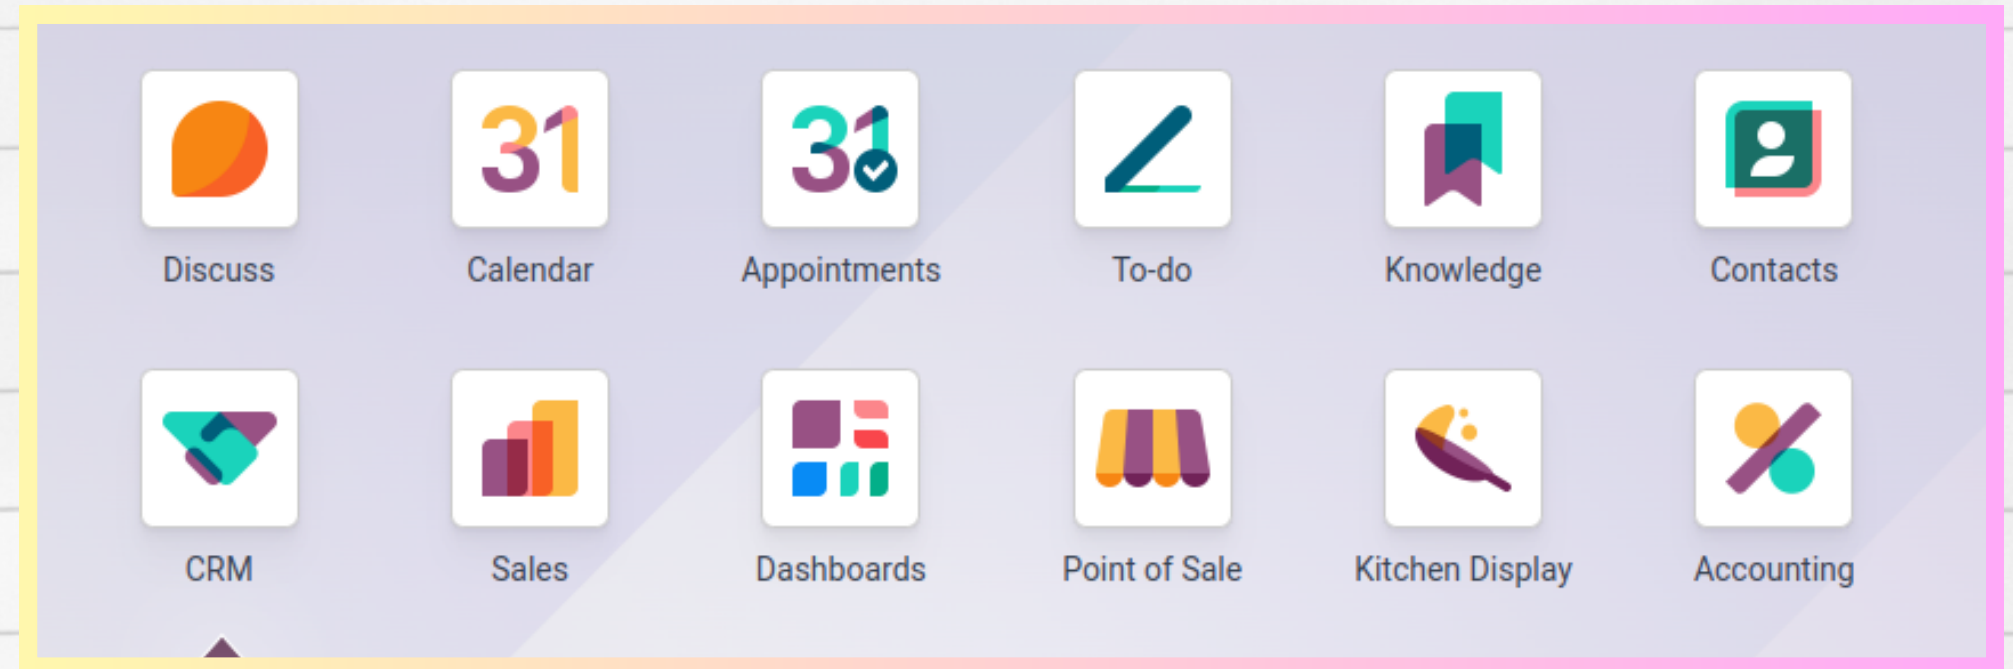

IMPROVED USER INTERFACE

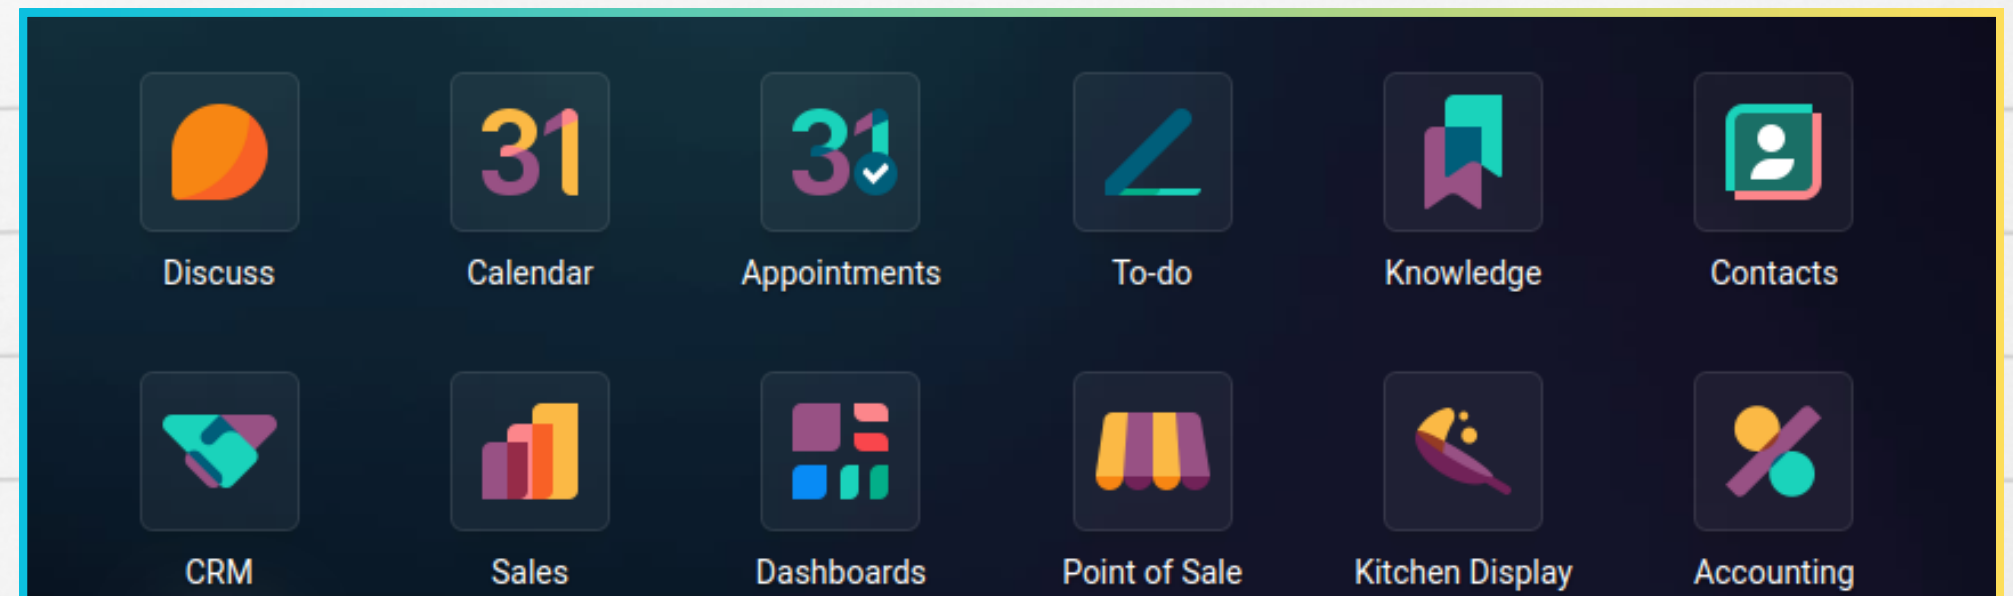

The UI interface now comes with two different modes:

- Light Mode

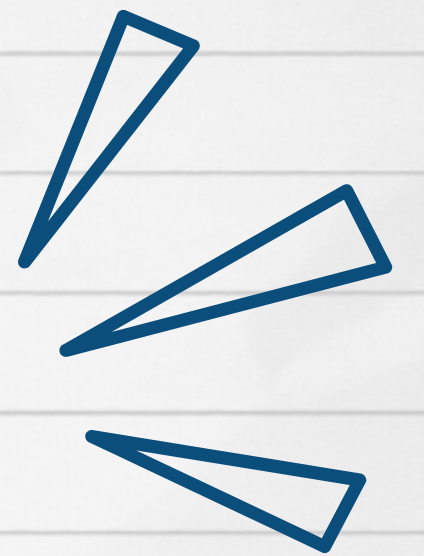

- Dark Mode

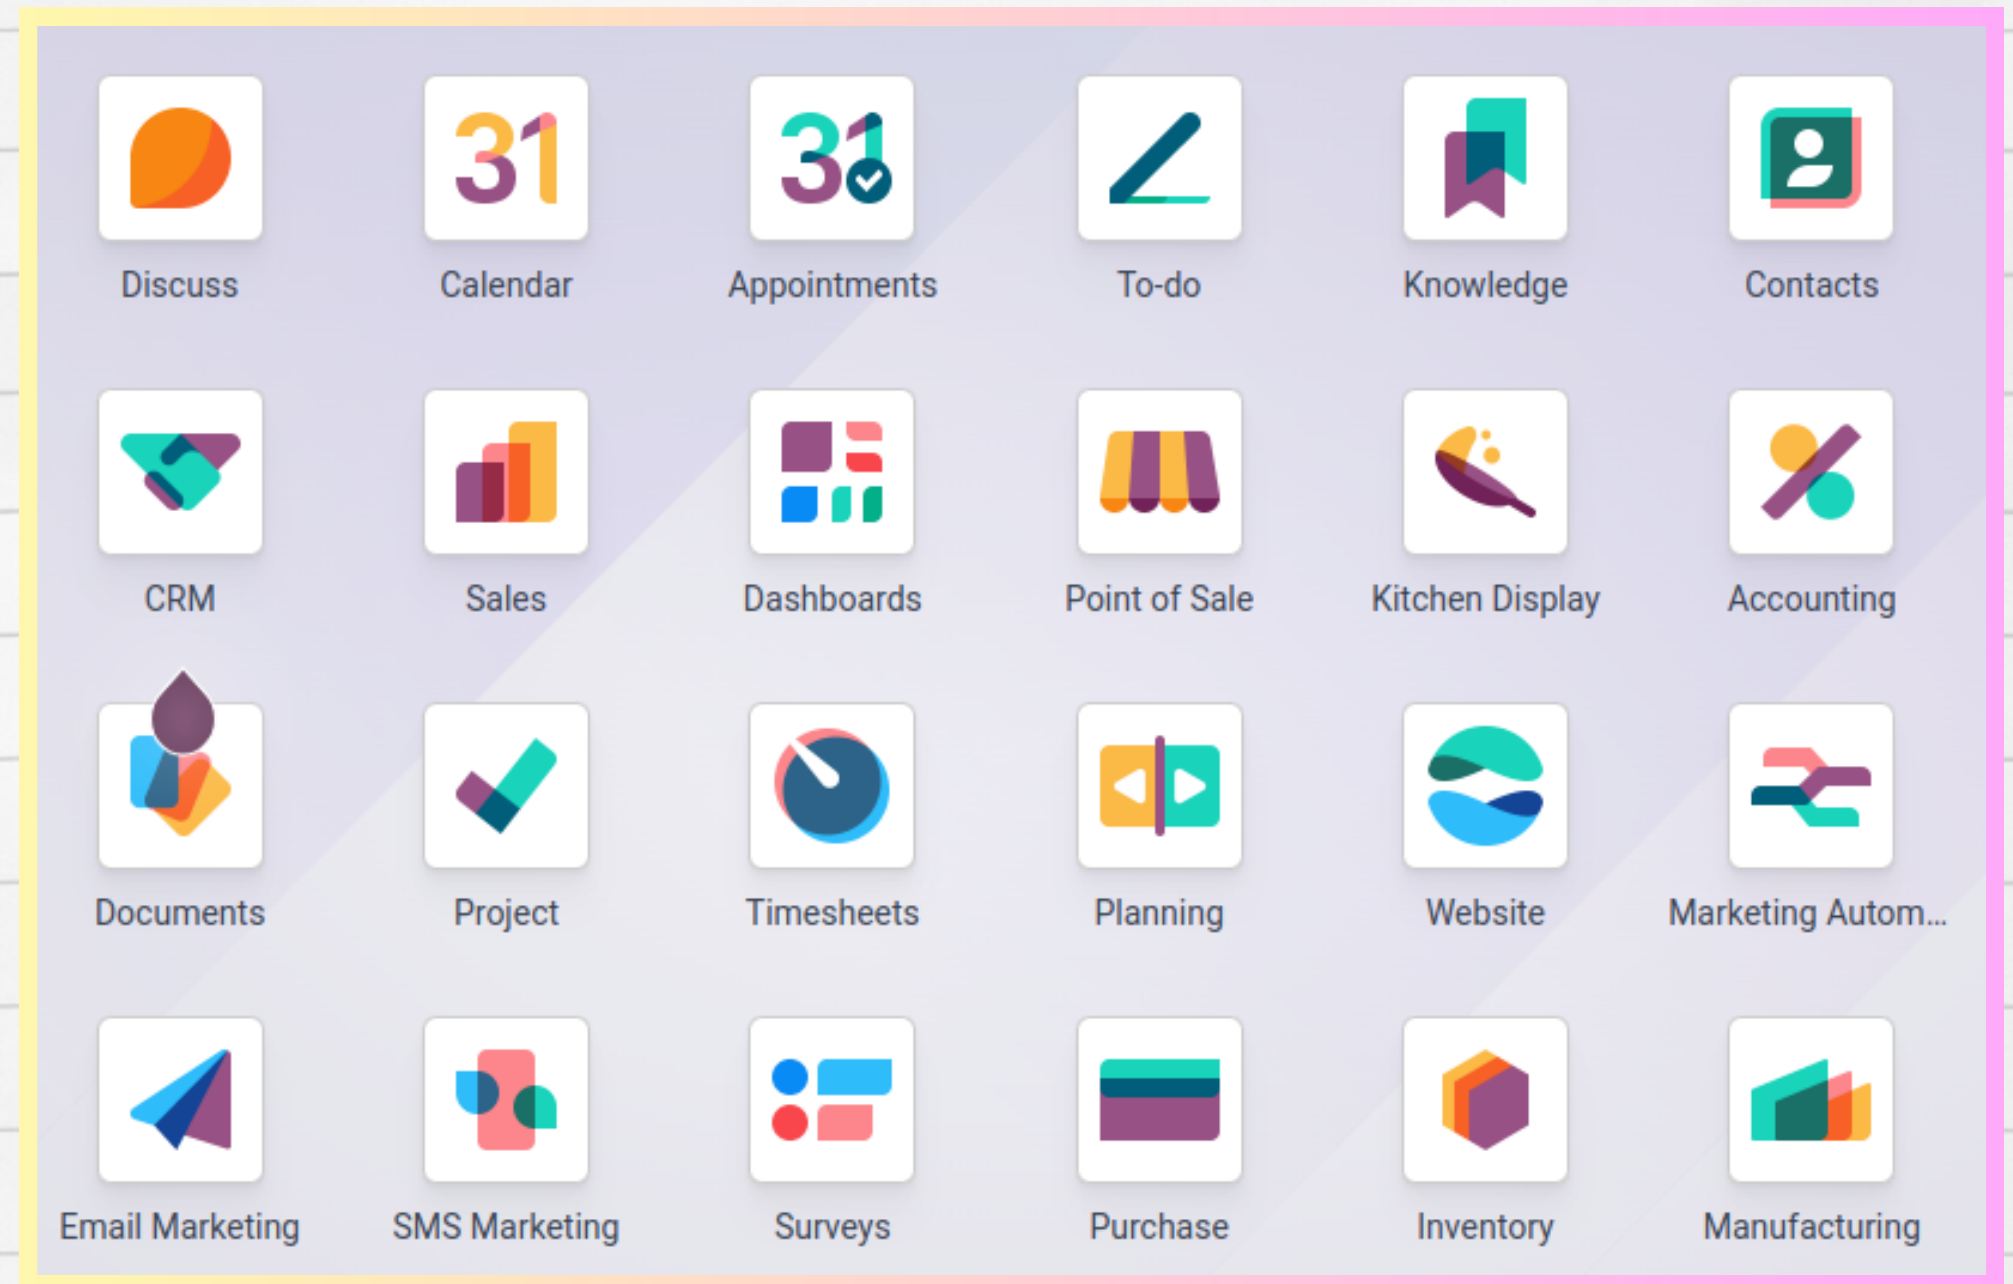

REARRANGE APP ICONS ON UI

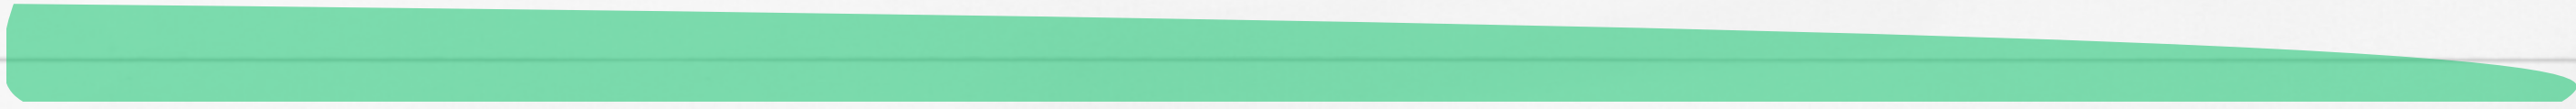

- Rearrange the apps the way you want them on the user interface

ODOO-WHATSAPP INTEGRATION

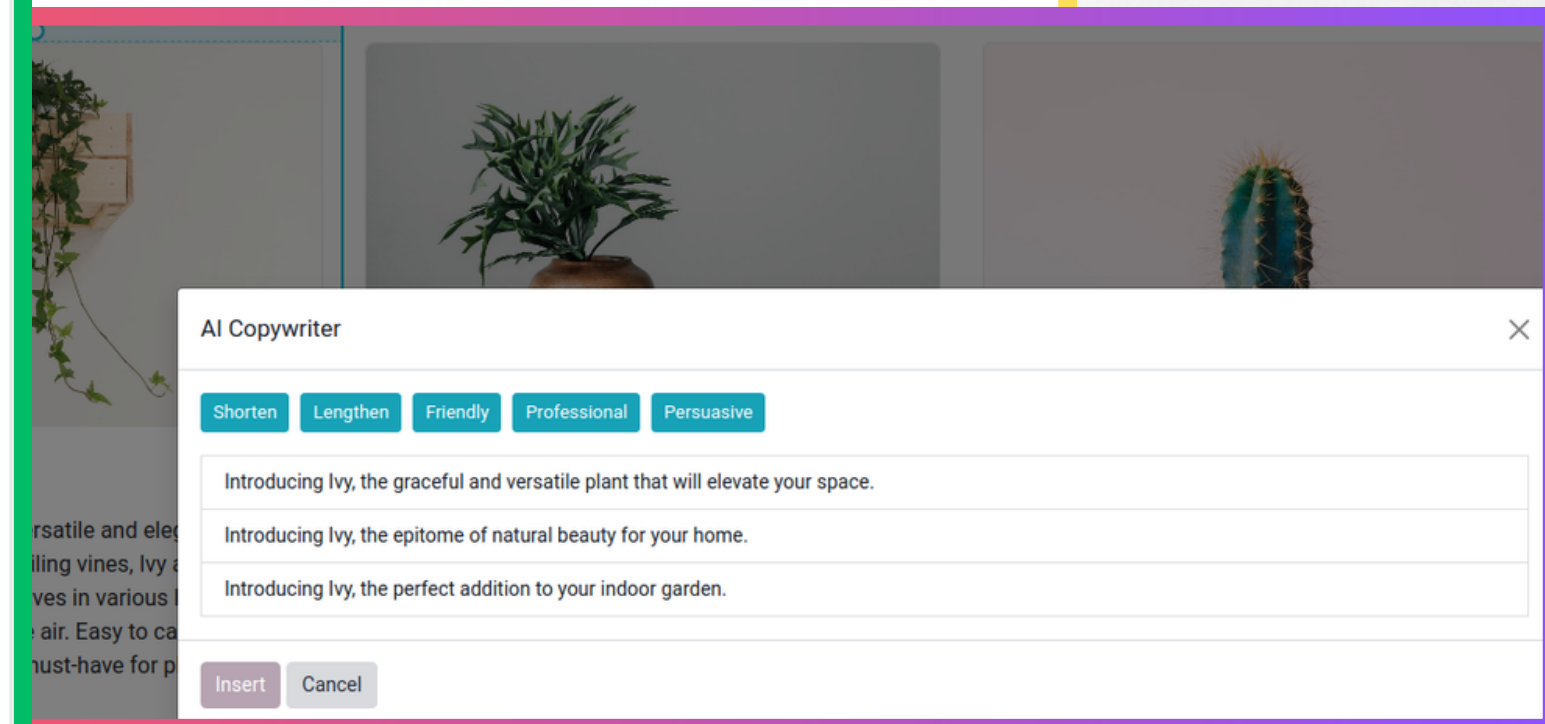

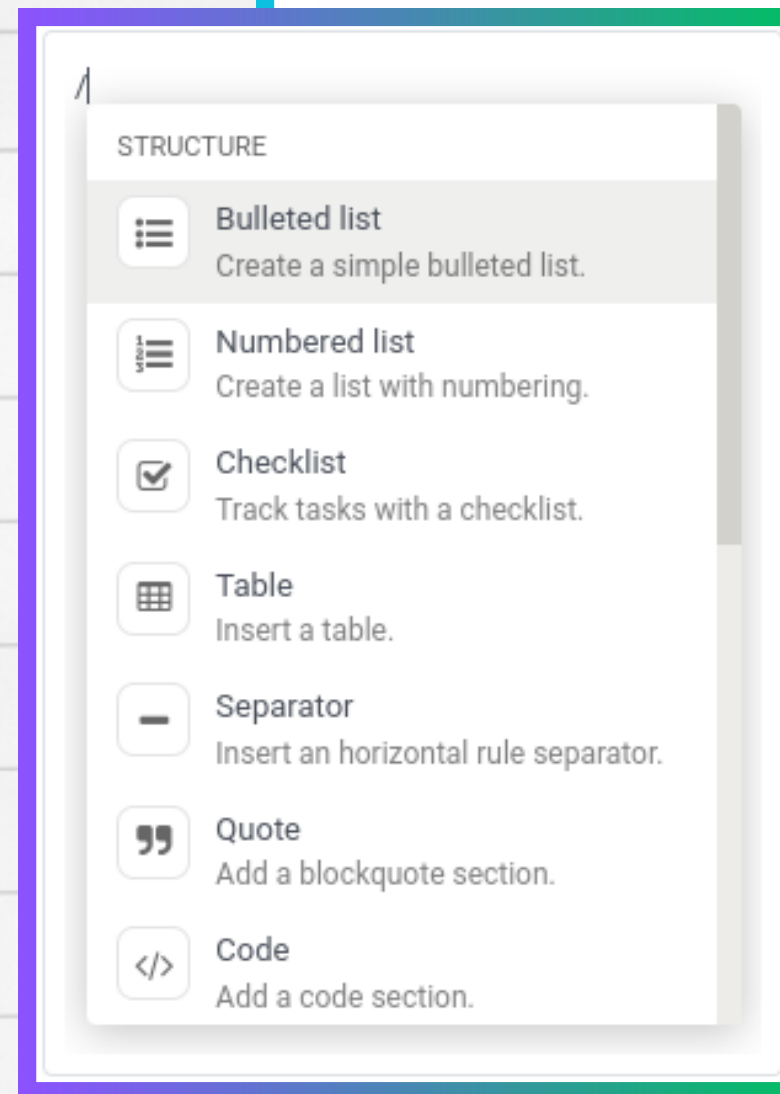

- Now, Use WhatsApp to communicate with your clients within your Odoo system

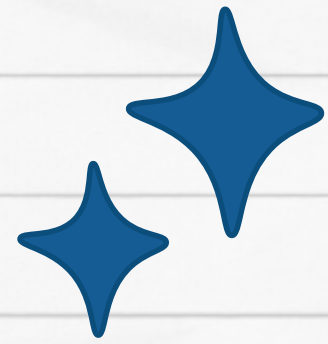

The graphic features the Odoo logo, consisting of the word 'odoo' in a lowercase, rounded font. The first 'o' is purple, and the remaining 'doo' is grey. Below the logo is a dark green rectangular box containing the white WhatsApp logo (a speech bubble with a telephone handset) and the text 'WhatsApp Business' in white.

AI TEXT EDITOR

- Odoo helps the user in writing content with help of ChatGPT and suggests them the best content

ORGANIZATION CHART VIEW

- Now, you can get a view of your organization chart with all the hierarchies

EMPLOYEE AVATAR VIEW

- Set **Images** or **Avatar** of your employees to get a more dynamic view of your employees on all the apps of Odoo

The screenshot displays the Odoo Employees app interface. The top navigation bar includes 'Employees', 'Departments', 'Reporting', and 'Configuration'. A search bar is present with the text 'Search...'. The left sidebar shows a 'COMPANY' section with 'All' and 'My Company (San Fra... 21)' and a 'DEPARTMENT' section with 'All' and 'Management 20'. The main area shows a grid of employee cards, each with a photo or avatar, name, title, email, phone number, and status (Employee or Consultant). The employees listed are:

Name	Title	Email	Phone	Status
Abigail Peterson	Consultant	abigail.peterson39@example.com	(555)-233-3393	Employee

LIVE CALLING

The screenshot shows a live chat call interface. On the left, a large, light purple rectangular area contains the text "Live chat calls" in a blue, handwritten-style font, which is highlighted by a blue brushstroke effect. On the right, a smaller window displays a video call with a woman named Amelia Green. The call controls include a microphone, headphones, video camera, a vertical ellipsis menu, and a red end call button. Below the video, a chat history is visible with a question from the visitor and a response from the agent.

SHOP FLOOR APP

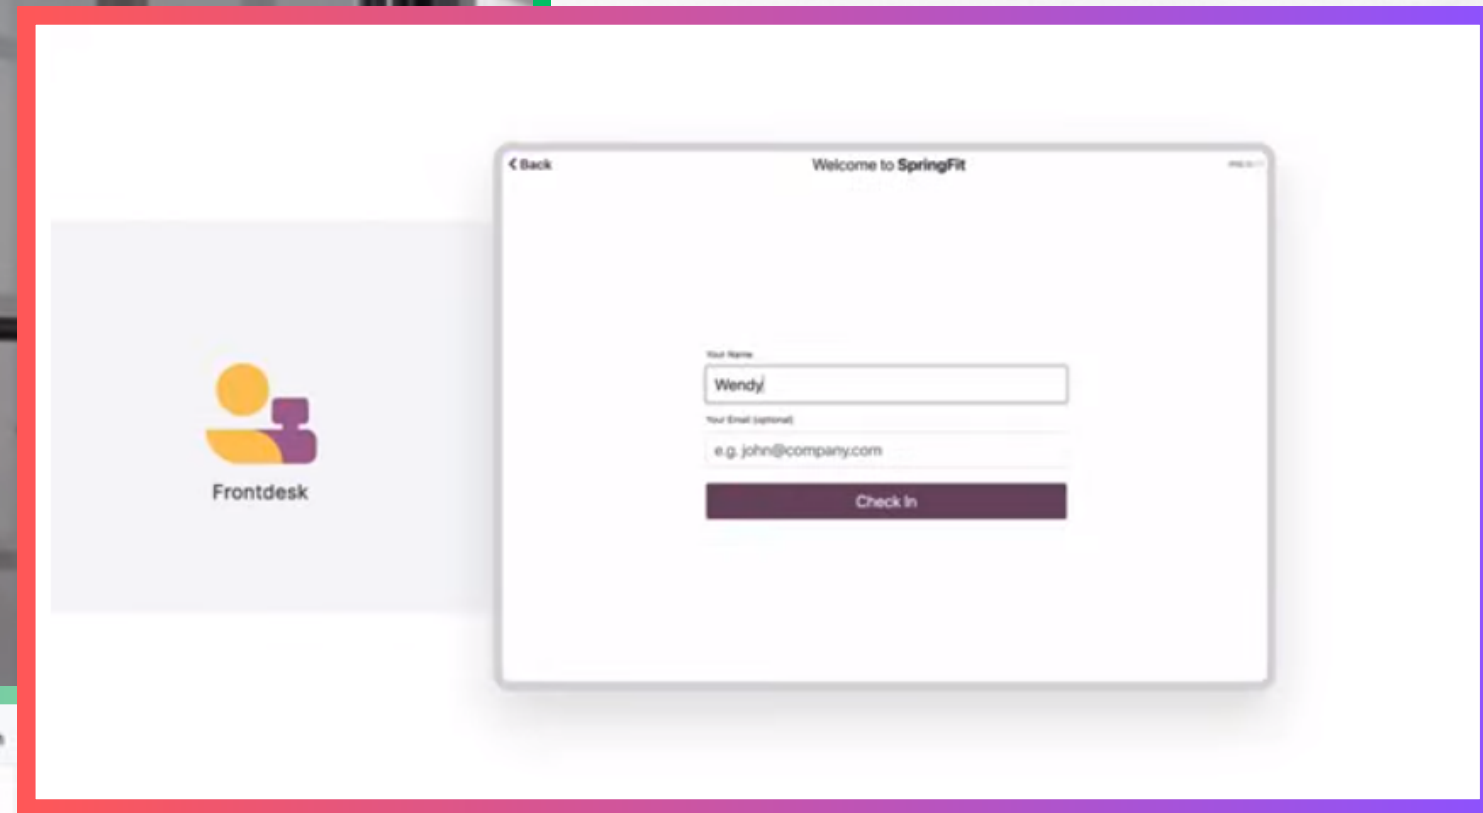

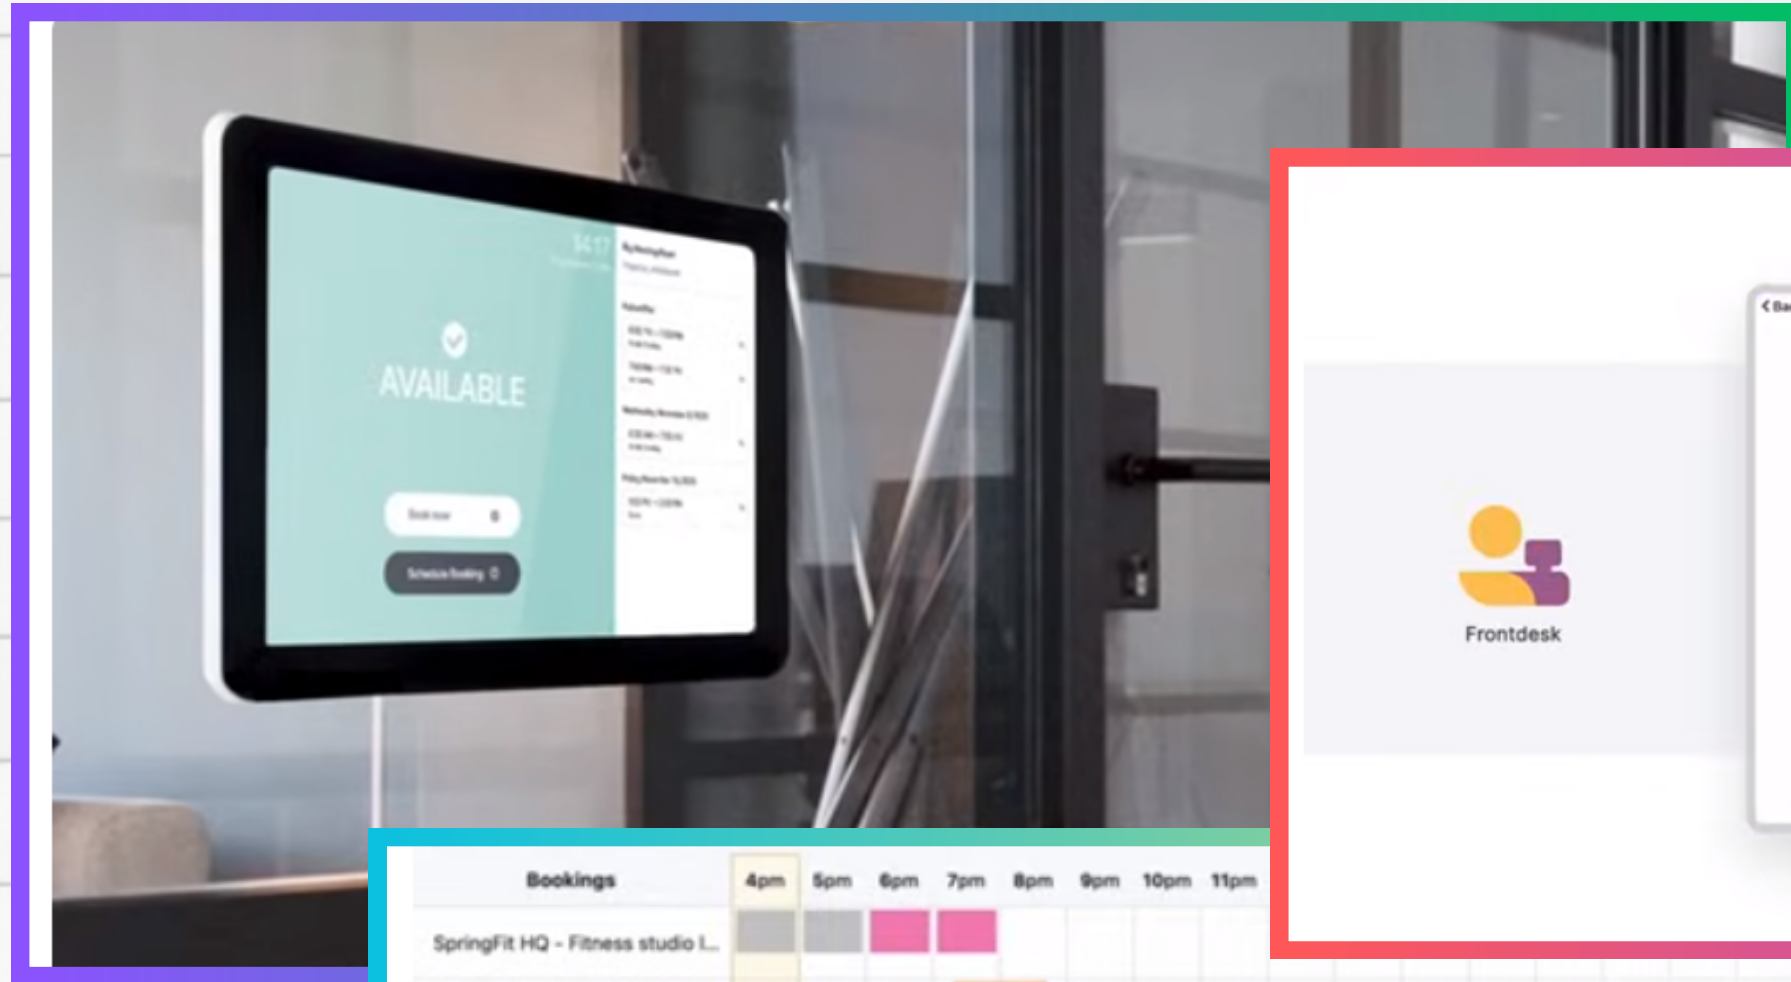

The screenshot displays the Shop Floor app interface. At the top, there's a navigation bar with 'My Work' and 'Production Station'. The main content area shows a production card for 'WH/MO/00072 Coffee Table - 1 Units' with an 'In Progress' status. Below this, there are three progress bars: 'Assemble table 3/3' with a green checkmark, 'Stain table 0/3' with an orange 'Paint Station →' button, and 'Register Production' with a '1 Units' counter. At the bottom of the card is a 'Close Production' button and a menu icon. The background shows a blurred view of other production cards.
